Re: ICC 12-0598 (on Rehearing), Notice of Filing

Ms. Rolando:

This is to notify the Commission, the Administrative Law Judges, the Commission Staff and the parties that today we are filing on behalf of Eric and Julia Sprague, on e-Docket in the above-referenced proceeding, the following:

1. Prepared Rebuttal Testimony of Eric Sprague, with supporting exhibits.
2. List of property owners affected by the alternative routes the Sprague's are proposing. The version of the affected landowner list filed on e-Docket and sent to the persons on the Service List is in pdf format, but I am including a version in Microsoft Word for the Chief Clerk.

Sincerely,

  
William M. Shay
